Registration for ESF services at La Rosière implies total acceptance of the present general terms and conditions

- **Article I: SERVICES**

All of the ESF instructors at La Rosière have undertaken state-accredited training and their teaching methods are recognized both nationally and internationally.

Our services are provided for both individuals and for groups. In order for the lessons to be successful, the competence level of all of the skiers participating in them will need to be of the same standard. Given that it would be impossible from a practical point of view for the ESF instructors at La Rosière to assess the standard of each pupil prior to registration, the latter will be solely responsible for the technical choice that he has selected in accordance with the table provided by the ESF at La Rosière.

Accordingly, the ESF at La Rosière reserves the right to move the skier from one group to another group which is more suitable for his standard if his said standard does not reflect that previously stated by him to be correct, but, this can only occur when and if the other groups have capacity to accommodate him. In this respect, the skier in question will not be able to claim either any reimbursement or any other type of compensation as regards his statement

Learning to ski will take place in a specific but random environment. Accordingly, the pupil will be personally liable for his own safety and also for that of any third parties. The instructors' liability will be limited to facilitating skiing lessons. It is the responsibility of the pupil to follow the instructor's instructions. The pupil will be solely liable for his own equipment.

The ESF at La Rosière will not be liable for any accidents caused by any of the skiers participating in the lesson.

- **Article II: INSURANCE**

The ESF subscribes to a Professional Indemnity Policy which covers their instructors in the course of their employment against any damage which they may cause to third parties as well as covering their clients whilst they are subject to the authority of the ESF and the instructors.

The client and/or the pupil is solely liable for his own equipment. The instructors cannot be held liable for any damage caused by the said equipment or for thefts or deterioration of the latter.

- **Article III: RATES/ REGISTRATION/ PAYMENT**

3.1: Rates

The rates of the ESF at La Rosière are displayed on the online sales site, and can be viewed on esf.net as well as on the site of ESF at La Rosière.

The prices quoted include tuition services provided by an instructor of the ESF at La Rosière but do not include any other service (insurance, ski lifts, accommodation, etc.) unless otherwise stated. Accordingly, prior to the lesson commencing, it is up to the pupil to obtain a pass in order to access the ski lifts and also to take out his own insurance which should cover him against any of the risks inherent in a sporting activity taking place in a mountain environment (public liability cover, emergency cover, etc.)
