For online sales via our site, simply follow the online registration instructions and your order will be transmitted automatically to the E.S.F.

Registration for the services of the E.S.F. implies unreserved acceptance of these general terms and conditions.

### **ARTICLE I – SERVICES**

All E.S.F. instructors have received training validated by the French State and possess currently-valid authorisation to teach skiing and associated disciplines. Teaching shall be implemented according to the French Ski Method (Méthode du Ski Français), codified by the French Ski Instruction Handbook (Mémento de l'enseignement du Ski Français), published by the French Sports Ministry and recognised nationally and internationally. This instruction may take place in all environments and on all types of snow appropriate for acquiring the skills covered by the Handbook.

The services are dispensed individually or in groups. The smooth running of lessons presupposes a uniform skills level of the skiers under instruction. On account of the material impossibility for E.S.F. instructors to check the level of each pupil prior to registration, the pupils themselves are responsible for choosing their technical level, selected with reference to the grid drawn up by the E.S.F.

Consequently, the E.S.F. reserves the right to transfer skiers to groups more suitable to their actual skills level, when this does not match their declared level, subject to other groups' capacity to incorporate them. Skiers may not claim any reimbursement or compensation on account of this, arising from the skier's declaration alone.

Learning to ski takes place in a specific environment with random characteristics. Its practice therefore makes it incumbent on pupils to take personal responsibility for their own safety and that of others. The responsibility of the instructor is therefore limited to a best-efforts obligation. It is the responsibility of the pupil to respect the instructor's instructions. Pupils are solely responsible for their own equipment.

The E.S.F. shall not be held liable for any accidents caused by skiers taking part in lessons.

### **ARTICLE II – INSURANCE**

The service provider subscribes to Professional Civil Liability insurance that covers the instructors in the exercise of their duties against claims from third parties and covers the practitioners during the time that they are under the authority of the E.S.F. and the instructor.

Customers and/or pupils are solely responsible for their own equipment. The instructors shall not be held liable for any damage caused by this equipment or in the event of loss of or damage to this equipment.

### **ARTICLE III – PRICES / REGISTRATION / PAYMENT**

#### **3.1: Prices**

The E.S.F. prices are presented on the online sales site, accessible via [esf.net](http://esf.net) and via the specific E.S.F. site.

The prices stated comprise the teaching service dispensed by an E.S.F. instructor, to the exclusion of any other service (insurance, ski lifts, accommodation, etc.), except in specific cases. Consequently, pupils shall, before the scheduled lesson time, be in possession of a pass to access the ski lifts and, at the pupil's discretion, insurance to cover the pupil against the inherent risks of practising sport in a mountain environment (civil liability, mountain rescue, etc.).

#### **3.2: Terms of registration and payment**

##### **3.2.1: For online sales made via our site:**

You need to pursue the booking procedure stated on the site. Once paid for online, your booking will be transmitted to E.S.F. You will immediately receive acknowledgement of your order by e-mail.

Payment is made in full when you make your booking via the online site of the E.S.F. This payment signals the conclusion of the contract. This is confirmed by the sending of an e-mail.

A single means of registration and payment is available to you: transmission over the Internet of your booking and bank transfer to E.S.F. via S-money (secure service developed by a company of the Groupe Banque Populaire Caisse d'Epargne).

The E.S.F. only guarantees the availability of the lessons that are proposed at the time when the contract is concluded.

##### **3.2.2: For the other distance selling modes:**

Registration takes place by sending a booking form accompanied by the full payment by cheque, bank card, etc., to E.S.F.

This payment signals the conclusion of the contract.

### **ARTICLE IV – RIGHT OF WITHDRAWAL NOT APPLICABLE**

The right of withdrawal within 14 days as stipulated in article L221-18 of the French Consumer Code is not applicable to services proposed for sale in application of 12° of article L.221-28, concerning leisure activity services that are to be provided on a specific date.

### **ARTICLE V – REQUEST FOR REIMBURSEMENT OF MEDALS**

Valid only if purchasing an ALL-IN PACKAGE: Ski lessons + medal.

If you have purchased an ALL-IN PACKAGE (ski lessons + medal) and you do not wish to receive a medal, it is possible to obtain reimbursement of the medal, at the public price, by request at the E.S.F. ticket office during the period of the lessons. After the final day of lessons, no reimbursement shall be possible.

The parties shall strive to resolve amicably any difficulties that may arise during the execution of the contract. If no amicable agreement can be found, all disputes relative to the validity, interpretation and execution of this agreement shall be governed exclusively by French law.
