ARTICLE I - SERVICES

All ESF instructors have received training validated by the French State and possess currently-valid authorisation to teach skiing and associated disciplines. Teaching shall be implemented according to the French Ski Method (Méthode du Ski Français), codified by the French Ski Instruction Handbook (Mémento de l'enseignement du Ski Français), published by the French Sports Ministry and recognised nationally and internationally. This instruction may take place in all environments and on all types of snow appropriate for acquiring the skills covered by the Handbook.

Our services are provided for both individuals and for groups. In order for the lessons to be successful, the competence level of all of the skiers participating in them will need to be the same standard. Given that it would be impossible from a practical point of view for the ESF instructors to assess the standard of each pupil prior to registration, the latter will be solely responsible for the technical choice that he has selected in accordance with the table provided by the ESF.

Accordingly, the ESF reserves the right to move the skier from one group to another group which is more suitable for his standard if his said standard does not reflect that previously stated by him to be correct, but, this can only occur when and if the other groups have capacity to accommodate him. In this respect, the skier in question will not be able to claim any reimbursement or any other type of compensation as regards his statement.

Learning to ski will take place in a specific but random environment. Accordingly, the pupil will be personally liable for his own safety and also for that of any third parties. The instructor's liability will be limited to facilitating skiing lessons. It is the responsibility of the pupil to follow the instructor's instructions. The pupil will be solely liable for his own equipment.

The ESF will not be liable for any accidents caused by any of the skiers participating in the lessons.

- If only one person is registered in a group lessons, the lesson will stop on Monday evening.

- For the courses Ourson 3 / 4 years old, it is imperative to have the minimum age required. The ESF requests a proof of identity of the age of the child.
- It is essential that the acquisition of the cleanliness is proven for the registration to our services.

- **Ski + Daycare**

The ESF general terms and conditions apply to the purchase of this pack.

Registration will be validated upon receipt of all documents requested by SFTLD – Club Enfants Les Petits Trappeurs.

When the child is taken care of SFTLD – Club Enfants Les Petits Trappeurs, it is under the responsibility of the latter.

The contents of the Pack are not scalable.

ARTICLE II - INSURANCE

The service provider subscribes to Professional Civil Liability insurance that covers the instructors in the exercise of their duties against claims from third parties and covers the practitioners during the time that they are under the authority of the ESF and the instructor.

The client and/or the pupil is solely liable for his own equipment. The instructors cannot be held liable for any damage caused by the said equipment or for thefts or deterioration of the latter.
